

ANEJA EXPORTERS

Global Reach, Continuous Growth.

**Premium Cotton Bags &
Global Export Solutions**

Who We Are

Aneja Exporters is an international merchant export firm based in Pune, India. We supply premium, eco-friendly cotton canvas bags to global wholesale buyers, retail chains, and brands.

Our business model is built on safety and trust. We do not work with unverified manufacturers. Our team carefully audits and selects only the most reliable suppliers in India before processing any orders. We handle everything on the ground so global importers can enjoy a risk-free sourcing experience.

Vision

"To be the premier global partner for India's finest textiles, delivering world-class, certified sustainable canvas carriers that international buyers trust implicitly."

Mission

To supply lab-tested, export-compliant canvas bags to global markets through seamless end-to-end expertise in certified manufacturing, secure packaging, and flawless customs clearance.

Global Quality & Compliance

We ensure our products meet strict international rules for seamless entry into major markets like the **US, UK, and Europe**.

- **Pre-Tested Materials:** Base fabrics are pre-vetted and tested at premier NABL-accredited laboratories in India.
- **Safety Thresholds:** 100% compliant with European REACH and US Prop 65 chemical and environmental standards.
- **Eco-Friendly & Non-Toxic:** Strictly free from harmful heavy metals or banned AZO dyes, featuring durable colorfastness.
- **Compliant Labeling:** Stitched inner labels with "Made in India" origin, fiber mix, care symbols, and buyer tracking codes for flawless customs clearance.
- **Third-Party Inspections:** We fully welcome pre-shipment quality audits by international agencies like SGS, Intertek, or Bureau Veritas (buyer's cost).

✱ **Vetted Manufacturing:**

Get a reliable supply of robustly stitched, perfectly dimensioned cotton carriers from audited partners.

✱ **Top-Quality Packaging:**

Every shipment is packed using premium, moisture-locked, reinforced seaworthy packaging to protect your goods from dampness and transit damage during long ocean voyages.

✱ **Smooth Logistics & Shipping:**

Capitalizing on our close proximity to India's commercial transport networks, we coordinate directly with leading global shipping lines to ensure predictable, on-time delivery.

✱ **Frictionless Customs Clearance:**

Our dedicated trade desk ensures immaculate export documentation and accurate HSN classifications to prevent any administrative delays at the port.

Complete Supply Chain Management

We manage the entire export timeline with absolute attention to detail, ensuring top-quality standards across every single operational milestone.
